

# Hearing Voices After Remote Viewing

(Poem)

-by Brian Edwards

(Written May, 2018)

**I met a man  
Who just as me  
Began to hear  
The voices**

**He heard them  
After remote viewing  
I .....after EVP**

**Two different experiences  
The same kind of voices**

**Voices that at first  
Pretend to be  
So benevolent  
And enlightened**

**But then descend  
Swoop down  
To become  
Cruel  
Twisted  
Sadist**

**Yes.....this can happen  
After remote viewing**

**Maybe it has to do  
With viewing  
The wrong thing  
Hearing the wrong thing**

**Maybe  
Maybe not**

**All the same  
Now comes the journey  
Through the fog  
Of obscurity**
